

KABABAYAN MULTICULTURAL CENTRE

Annual Report 2019/2020

Message From The Chairperson

As we gather for this annual general meeting in a new normal, where social distancing keeps us away from each other personally, let us be aware that there's nothing that can remove the bond that we share in pursuing our common interests – our desire for a stronger community, our commitment to help each other especially in times of need, our endless pursuit of social justice, and our dedication to be there for our fellow brothers and sisters through thick and thin.

This year had been tough to all of us including to Kababayan Multicultural Services. At the height of the pandemic, we were not able to provide personal services to our new immigrants and our group communities as we normally do. However, the warrior in us never gives up and we found different ways to continue providing services to the needs of the society. We used technology to our advantage – rerouted telephone calls to communicate directly to clients, improved our website, and utilized online group meetings and presentations. We assisted our more vulnerable members through front door delivery of goods that helps sustain living conditions when our economic resources dwindled.

We once again proven our resiliency to any challenges that comes in our way. As we get past the worst part, we adapt to new process of living together. Our center was refitted to reopen and provide the personal services, along with protocols to ensure safety for all staff and visitors. As the days pass, no matter what comes our way, we will continue to provide services and rest be assured that we will do our very best to stay that way.

Kababayan Multicultural Centre, its Board of Directors, Staff and Volunteers, will always be there for you.

Message From The Executive Director

Welcome to the 43rd Annual General Meeting!

This annual report reflects the key accomplishments of the Kababayan Multicultural Centre in the fiscal year 2019-2020. These achievements were possible due to the work of dedicated staff, volunteers, Board of Directors and joint efforts of partner organizations of KMC who worked with us in the delivery of services.

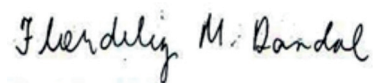

The total services that KMC provided to clients were 7,621 services and the total clients served were 4, 255 clients. The total revenue we have received through the funding support of the federal (IRCC), provincial (MCCSS) and municipal (City of Toronto, CSP) government and fundraising efforts were \$430,083. It is with great honor, respect and appreciation that we acknowledge these levels of government and the supporters of KMC. Without funding, we would have not been able to provide all the services mentioned.

This fiscal year is one of the significant years for the Caregiver Program. In June 2019, the IRCC (Immigration, Refugees and Citizenship Canada) Minister Honourable Ahmed Hussen made changes regarding the improvement of the working conditions and pathways to permanent residency of the Caregiver Program participants.

Having a collaborative approach in the provision of services is one of the strengths of the centre. In the fiscal year of 2019-2020, KMC with renewed spirits, partnered with different organizations such as Association of Filipino-Canadian Engineers, Filipino Construction Professionals of Ontario and the Association of Filipino-Canadian Accountants. The new officers of the Philippine Consulate General Office and Philippine Labour Attaché office, together with other settlement organizations, had a joint event the first Filipino Migrant Workers' Convention last November 2019.

In the last month of this fiscal year—March 2020, KMC staff prepared numerous well-scheduled joint activities with different organizations (i.e. the March Break Youth Camp, the tax clinics and networking events for longtime and new engineers) but unfortunately, were cancelled due to COVID-19. Kababayan Multicultural Centre in partnership with (MAP) Mutual Aid Parkdale and Bathurst Finch Food Coalition Emergency Task Force jointly respond to the needs of the vulnerable sectors of our community in COVID-19 crises. KMC would like to thank Community Food Centres Canada, Good Food Access Fund, United Way and Second Harvest for the funding support by providing gift cards which help us assist seniors, persons with disability and newcomers in their needs for food security support.

This fiscal year, we surpassed the targeted level of participants and services of each program. We graciously thank the KMC Board of Directors, staff and volunteers for their dedication in providing services.

Client's Appreciation

I would like to say thank you to Kababayan Multicultural Centre. Your community programs namely the computer training and English Communication workshops has helped me enhanced my knowledge in computer and develop my communication skills. I would also like to take this opportunity to say thank you and I really appreciate the work that you do. I also want to express my gratitude for assisting me in my work permit renewal in spite of this COVID-19 pandemic. KMC counselor has been very supportive, attentive and responsive to all the questions and queries that I asked.

Again, thank you very much Kababayan Multicultural Centre for all the help and effort you have done for me. You are a great community organization.

Marlinda Castillo

I am writing this letter to appreciate the brilliant services that you gave me 3 years ago and until now. I am so lucky that my friend recommended KMC because they helped me a lot especially the time when I was new here in Canada and have a lot of questions for everything. They assisted me to do my permanent residency application renewal of my work permit and a lot more.

When my family arrived in Canada the settlement counselor assisted again my husband and daughter with their settlement needs, from finding employment, connecting my husband and daughter to community health centre and other city funded services. My daughter was even helped with her dental concerns through the Healthy Smile program. We were also able to join summer trips like cherry picking and experienced the Tulip Festival in Ottawa which we can't do if not through KMC. Again, thank you so much to KMC's staff help. I greatly appreciate all the assistance KMC have provided me.

Rowena Apor

I want to deeply express my heartfelt gratitude and great appreciation to Kababayan Multicultural Centre for all the help extended to us. I am grateful to your entire team especially to the Settlement Counselor who assisted us in our family sponsorship. Since that time even when I arrived in Canada with my two sons and reunited with my husband, she continuously helps us.

Being a newcomer was difficult, lots of adjustment to many different things. It was quite a long and challenging process but because of the support and guidance of the Settlement Counselor to us, our exhausting life in Canada was easy and manageable. She is wonderful and always responding to my queries promptly and generously. Her knowledge and professionalism are something that really helped me calmed my worries and anxieties when confronted with issues.

Thank you again KMC for all your help, you are truly a blessing.

Antonette Enriquez

Client's Appreciation

I would like to give my appreciation to all the staff of Kababayan Multicultural Center. Throughout the years they have been helping and assisting me as a newcomer in Canada. I would say Kababayan Multicultural Center is a big part of my life. It was hard and difficult to start a new life here but KMC helped me through their programs, orientations and seminars such as CPR, Food Handling and Family Reunification.

There was a time when I had a problem with my employer and many thanks to the settlement counselor who supported and guided me on the process of dealing with it. Through her intervention and referral, I was able to get legal assistance from Community Legal Services and the case finally resulted in my favour. She helped me in many things including my application for Permanent Residence and I am now a Permanent Resident and reunited with my families.

I am happy I had the opportunity to give back to KMC by helping newcomers and caregivers as an instructor in their Computer Training Program though for a short-term. Thank you very much Kababayan Multicultural Center and keep up the good work for helping newcomers and immigrants. God bless you.

David Rey Pineda

I was an IT professional in the Philippines with more than 2 years of experience. As a newcomer, adjustment to many things was overwhelming and looking for a job was daunting. It's really different way back home and much harder because I did not have an established network here in Canada. I knew that I needed help. Kababayan Multicultural Centre is one of the organizations that supported me in my journey as an immigrant. The Settlement Counselor I met helped me to be well-equipped as a newcomer and provided me with the necessary information on programs and services which are useful in adapting to a new place. She helped me stay connected with information and networking with other agencies. She referred and introduced me to JVS Employment which helped me land my professional job.

When I applied for Spousal Sponsorship, I went to Kababayan Multicultural Centre again and another Settlement Counselor assisted me in filling up the forms and making sure that all the required documents were correct. Right now, I have my wife here with me after three months of submitting my application.

I will be forever grateful to KMC. I hope that you continue to help more newcomers and families. Thank you very much

Joshua Maniquiz

My family reunification application was almost messed up as I did it myself initially. One of my friend told me about Kababayan's LSP program and I approached the LSP worker there who also spoke same first language like me. Then, it took some time but with help of LSP services, my application went well. Finally I have been reunited with my family in Canada.

Thank you LSP program!
